Dear Jack and Jill Summer Camp FANTABULOUS Families:

WELCOME to our 60th year of Jack and Jill Summer Camp and what will undoubtedly be our most fantastic and memorable season ever!! The single most important goal we strive for is to create an environment where your child feels confident, loved and safe. We call this...the Jack and Jill Way...and it permeates everything we do. It is our teachers' unwavering energy, their limitless creativity and our dedication to making each and every child feel special, loved and valued. We place a strong emphasis on character building and morals/values. To us, in order to raise great kids, we, as adults, must model and inspire our children in a like manner. Camp isn't just a place to have fun; it's a place to make a real difference in the lives of everyone involved. We are proud and honored to be such an important part of your family's life. We embrace that with a great sense of responsibility and promise to do our very best to make your child's camp experience one they will remember forever. From all of us at Jack and Jill, THANK YOU, for choosing to share your child(ren) with us for an "off the hook" summer!!

Blessings,

Mary, Pam and the entire Jack and Jill Staff
